

BOYERTOWN FARMERS MARKET

Business, Civic Organization, Non-Profit Registration Form

The Boyertown Farmers Market provides at no cost, to qualifying organizations, space at the market to perform fundraisers, recruitment drives or develop business awareness. The market also has a Main Tent that provides for such organizations to leave promotional literature, business cards, etc. for the community to take, all during the season (this requires no arrangements with the Market Manager).

Please select the week you would prefer to attend. Select multiple weeks and rank them (1,2,3...) based on your preference. Please visit www.boyertownpa.org to see what else is happening at the market on these dates.

_____ June 6	_____ August 1	_____ September 26
