

KIDS SUMMER CAMP MOVIE PROGRAM (KSCMP) AT THE STATE

1. PURPOSE- The purpose of the KSCMP is to give children of the Boyertown Area an opportunity to participate in a low cost activity and to learn more about the organization that is sponsoring the movie for them. As with any activity with peers, there is the added benefit of learning social skills, cooperation and following a set guideline of behavior, all while being able to enjoy themselves in a fun activity.

2. SCOPE- There are 6 weeks of a children's movie to be shown on a Wednesday and Thursday. The movies for each week of a Wednesday and Thursday will be the same feature. It will be a 10:00 morning matinee with the sponsoring organization having the option of an after movie activity at a location other than the State Theatre. The sponsoring organization will have 150 tickets to sell or give away. It is recommended that all sponsoring organizations have the same ticket price.
