Volunteer Opportunities

I am interested in volunteering my time and serving on the following committee(s).

- Organization Committee
Membership recruitment, fundraising, volunteer coordination and recognition.
- Economic Vitality Committee
Grow downtown businesses, recruit new ones, find new uses for historic buildings, help find financial incentives for rehabilitation and business development.
- Design Committee
Shape the physical character of Downtown Boyertown as a place that is attractive to shoppers, investors, business owners and visitors.
- Tree Committee
Plan and promote cleanliness and beauty, and enhance public green spaces within the district.
- Promotions Committee
Market Boyertown by retail promotions and special events, publicity and media relations for special events and promotions.
- Board of Directors
The Board of Directors is responsible for ensuring that Building A Better Boyertown "works". Make decisions about the program and monitor progress regularly. Set priorities, assume primary responsibility for fundraising, and support the committees by volunteering time and expertise in their efforts.
